Dear Business Owner:

The Jefferson County Solid Waste Department has been instructed by the Board of County Commissioners to review and analyze the solid waste assessment fees currently in place for commercial businesses.

To start the process, the Department is sending this survey to each business owner in Jefferson County. Please take a few minutes of your time to complete the survey and return to us in the enclosed postage paid envelope, prior to September 14, 2012. Your returned survey responses will allow the Department to provide valuable input to the Board, and ensure a fair representation of solid waste disposal among the county's business owners.

If you should have any questions about the survey, please call me at 850-342-0184. Thank you in advance for your time and cooperation.

Sincerely,

Elizabeth R. Letchworth, Director
Jefferson County Solid Waste Department
